

A man in a dark suit and tie is sitting at a desk, looking down at a laptop. He is holding a pen over a notepad. To his left is a large analog clock showing approximately 10:10. In front of him are several stacks of papers and a trash can filled with crumpled paper. The background is a solid green color.

RelianSys[®]
Transforming Compliance

RelianSys® is Australia's leading provider of automated web-based compliance solutions for local government – known and trusted by Councils large and small, metropolitan and regional, for over ten years.

Are your compliance obligations putting you under pressure from all directions?

Council Audit & Risk Committee

seeking assurance with evidence that Council meets its statutory compliance obligations.

Directors & Governance Team

wanting to keep pace with legislative changes and simple tools to assign responsibilities and report on outcomes.

State Government

Best Practice Models recommending a systemic approach to managing and reporting on governance and compliance.

Managers and Staff

requesting a system to provide updates of legislative changes and email reminders for compliance reporting.

Transforming Compliance

Personal guided tours of Australia's leading compliance solution are available.

To arrange your 20-minute guided tour of Reliansys® Compliance, please pick up the phone.

RelianSys® Compliance solves your compliance headaches by...

Streamlining

your compliance by seamlessly integrating legislative monitoring with the benefits of a sophisticated software tool.

Driving efficiency

and saving you time by doing the grunt work of managing, maintaining and updating local government-specific registers for you.

Building confidence

among Councillors and Directors that all obligations have been met.

Minimising costs

by removing expensive legal or advisory fees and providing all setup, updates and backups, support and training in one simple annual subscription.

Simplifying monitoring and reporting

with clear colour-coded reports in seconds, easily customisable to your local setting, internal processes and requirements – from high-level compliance reporting to detailed monitoring or quality improvement tasks.

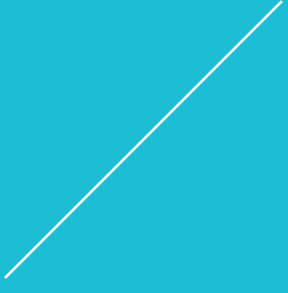

Automating reminders

that assist directors and managers to assign obligations and allocate tasks, with regular email updates and reminders so they stay on top of compliance.

Your Subscription includes:

- ✓ Free setup
 - ✓ Regular legislative updates
 - ✓ Cloud-based – access from any device
 - ✓ Continual development
 - ✓ Unlimited phone support
 - ✓ Built-in flexibility with customisable reports
 - ✓ Free training
 - ✓ No software to install
 - ✓ Secure hosting and daily backups
-
